

# 10/9 Meeting Minutes

## Multiple Repos:

## Manage integrations through:

- GitHub Action
- GHCR

## Non-Profit Meeting

- Is there better validator services for HSDS data than UKValidator?
- Present architecture
- Proposing a shared database, might run into concurrency issues

**Ownership:**

Jonathan: User Management Service

Terrence: Data Management Service

Devin Meeting:

- Sarapis Team Members In-person: Next Wednesday 3:15-3:45 P.M
- Thursday/Friday Next Week Miguel/Ezri/Jonathan/Terrence
- Miguel will create repositories and project boards

---
